Dear Judge McKenna:

Reference is made to the Defendants' motion for summary judgement dated and filed on September 7, 2007 in the above referenced action (the "summary judgment" motion). The Plaintiff has requested an extension of time to oppose or otherwise respond to the summary judgment motion. Accordingly, the parties have stipulated that the Plaintiff's time to oppose or otherwise respond to the summary judgment motion has been extended to September 28, 2007 and the Defendant's time to serve reply papers has been extended to October 10, 2007. Both parties further agree that their respective papers must be served so that they are received in hand on the above dates. Please let us know whether the Court approves of the proposed schedule. Thank you in advance for your kind consideration of this request.

Very truly yours,

Approved & so ordered.
